“**T**ogether in Mission brings our Catholic family together. Support Together in Mission: It’s a commitment. You must be determined because if you do something for the Lord, the harvest you get is more than what you sow. Sharing gives you inner joy.” Rolando y Lillian Catena

“**E**veryone has respect, and everyone treats everybody like they’re family. Jesus sacrificed his life for us, so he’s very special. As an altar server when I serve Mass, I feel a strong connection with him to make the right decision and not let other down.” Edwin Davila

“**T**ogether in Mission goes directly where it’s needed. It doesn’t go to pay a lot of salaries. There’s not a lot of overhead. Together in Mission has really made a difference in our church—the way it looks and now the roof does not leak.” Matt and Teri Halsted

“We build community with faith as our foundation. The fundamentals of faith children receive, let them know they have a relationship with God who loves them, and they can love God back. Support is so needed and we thank you for it.” Vincent O’Donoghue

“Jesus loves and cares about us and gives us chances, many chances. I feel happy, and I feel like Jesus will always love us because we’re his kids. Thank your helping our school and giving us a wonderful church. Brissa Toribio

“Our school is loving, caring. We learn responsible citizenship. The school has strong education and lets kids get to their goals. I would imitate how Jesus forgives people and gives love.” Martin Amaya in family photo
