**STATEMENT OF ARCHBISHOP JOSÉ H. GOMEZ REGARDING GOV.
BROWN'S SIGNING OF THE SECOND PART OF THE CA 'DREAM ACT'**

I am very pleased that Governor Brown has signed into law the second part of the California DREAM Act. The governor's signature clears the path for immigrant students to further their education so that they can one day contribute their talents and skills to the betterment of our society. These students have already demonstrated their academic ability and commitment; they deserve the opportunity to pursue their goals for the future.
