Vision of the Confirmation Process

The gifted and generous leaders called to share faith with youth in preparing them for the Sacrament of Confirmation seek to impart this sense of hopefulness and enthusiasm among young people. The Confirmation Preparation Process consists of various elements which provide a framework for supporting youth and the parish as they grow as a faith community. We, the Office of Religious Education Confirmation team, affirm and support each parish as they implement this process in a manner that will address the unique needs of their youth and parish community.
