

# Youth Ministry Specialization

**February 25-26,  
2012**

In 1997, the United States Conference of Catholic Bishops published *Renewing the Vision: A Framework for Catholic Youth Ministry*, which calls us to make ministry with adolescents a concern for the entire church community, especially for leaders in parishes, schools, and dioceses. This document provides leaders a solid foundation upon which to build programs for young people. This two-day training will support youth ministry coordinators, confirmation coordinators, volunteers, and all who work with young people in responding to this call.
