# What is CLI?

---

The Christian Leadership Institute is a nationally recognized training program that has been enabling young people in the church for over forty years. It helps to develop core team members in both parish and school settings. The program is a learning institute that requires a lot of work from the participant, yet it is exciting and fun at the same time. It is an intense week of training and exploring what it means to live in community. It is also a week of learning new skills and putting them into action. It includes:

Learning Skills for  
Leadership.

- ◆ Skill Workshops
- ◆ Support Groups
- ◆ Prayer and Worship
- ◆ Skills Practice

## WHO SHOULD ATTEND

The institute is designed for young people (at least 15 years old and heading into the 10th thru 12th grade) who will be in parish or school leadership roles in the coming year. This is a training program for peer leaders. Participants should be mature enough to be away from home and committed to the idea of working for a week at CLI. Teams of up to five people are invited from each parish or school. We are sorry that we are unable to accommodate more than that at our program.

There are a limited amount of spaces for Youth Ministry Coordinators, Campus Ministers, or Adult Volunteer who are looking to learn these skills also. Please contact the Youth Ministry office for more information about adult participants. These attendees must be approved before coming to CLI and should be fingerprinted and VIRTUS trained.

## GOALS OF CLI

The goals of the institute are to foster the leadership potential of each individual and to heighten her or his awareness of the responsibilities of leaders in a high school or parish community, and, ultimately, in the larger Christian community. It is all about recognizing gifts and talents.

SUNDAY, JULY 22 THRU  
FRIDAY, JULY 27, 2012

The Christian Leadership Institute is held at St. Mary's Seminary Retreat Center in Santa Barbara. The fee for the week is \$300 per person and this covers food, materials, a CLI T-shirt, and the rental of the space.

Coordinators interested in sending young people to the Christian Leadership Institute should visit the CLI web page and download all forms. There are resources to help you choose candidates, fundraising tips, talking points for sharing CLI with youth and parents, and the actual registration form.
