

4) Children and Youth Sexual Abuse Prevention Programs (Charter Article: 12)

- VIRTUS® Teaching Touching Safety
- Good-Touch/Bad-Touch®
- Archdiocese of Los Angeles Self-Protection Program Grades 1-12

10th Anniversary Working Together

To Prevent Child Sexual Abuse

*Keeping Ministerial
Relationships Healthy & Holy*

April, 2012

Archdiocese of Los Angeles

Dear Brothers and Sisters in Christ,

This year marks the 10th anniversary of the implementation of the US Bishops' *Charter for the Protection of Children and Young People*. The *Charter* contains practical and pastoral steps that address allegations of sexual abuse, prevent future abuse, and help abuse victims through the healing process.

While we must never relax our efforts to keep our children and young people safe from all harm, it is appropriate on this anniversary of the *Charter* to reflect upon all of the good work that has been accomplished by so many in our Archdiocese of Los Angeles to help ensure our children's safety.

Over the past decade, more than 100,000 adults and children have undergone abuse awareness and prevention sessions in our parishes and schools. More than 5,000 VIRTUS® sessions have been conducted, making access to this important training easily available.

The Archdiocese continues to be one of the largest private organizations in California to fingerprint employees and volunteers who work with our children. More than 100,000 adults have gone through this important screening procedure.

This brochure provides resources to help prevent child sexual abuse and information on what to do if you suspect or witness abuse or misconduct. It is updated and distributed annually by the Archdiocese. Please read and keep it for reference.

I remain grateful to all those who have labored so diligently to help ensure the safety of our children and young people. Let's continue this important work together.

Sincerely Yours in Christ,

+ José H. Gomez

Most Reverend José H. Gomez
Archbishop of Los Angeles

Sexual Abuse of Minors - A Pervasive Social Problem

Child abuse is a frightening social reality. Numerous studies, while not in full agreement, estimate that some 40% of girls and 30% of boys suffer some form of molestation by an adult during their childhood and adolescence, with the majority of child sexual abuse occurring within the setting of an extended family. We as the "People of God" are called to work together to stop all forms of sexual abuse, wherever they occur.

Church Teaching on the Sexual Abuse of Minors

Church teaching condemns the sexual abuse of children and youth as seriously sinful. The *Catechism of the Catholic Church* states: "Connected to incest is any sexual abuse perpetrated by adults on children or adolescents entrusted to their care. The offense is compounded by the scandalous harm done to the physical and moral integrity of the young, who will remain scarred by it all their lives, and the violation of responsibility for their upbringing." (2389)

Charter for the Protection of Children and Young People

The *Charter for the Protection of Children and Young People* was adopted by the Bishops of the United States in June 2002. This important document contains the *Essential Norms* which are the Church's response to child sexual abuse and the concrete plan to work actively in the prevention of sexual abuse. Key components of the implementation of the *Charter* include:

1) Office of Victims Assistance Ministry Helps Abused Victims Find Healing (Charter Articles: 1, 2, 4,12,16)

The Office of Victims Assistance Ministry of the Archdiocese of Los Angeles was created in April of 2002 to deal with allegations of past or current sexual abuse by clergy, religious or any lay person working or volunteering for the Archdiocese. The Office is charged with creating a safe and compassionate environment

for victims to come forward while ensuring that civil authorities are notified and victims are provided with counseling and other assistance in the healing process.

Call Victims Assistance Office (800) 355-2545 to:

- report misconduct by a priest, deacon or other person working or volunteering for the Archdiocese of Los Angeles.
- get information about the Archdiocese's ongoing commitment, programs and resources that focus on outreach to victims/survivors of sexual abuse.
- report abuse suffered in another diocese and to receive assistance in connecting with the appropriate persons in that diocese.

2) Office of Safeguard the Children and the Formation of Safeguard the Children Parish Committees (Charter Article: 2)

The establishment of the Office of Safeguard the Children and the formation of Safeguard the Children Parish Committees were mandated by Cardinal Roger Mahony in 2002. The Office of Safeguard the Children assists these permanent Parish Committees in implementing child sexual abuse prevention education, Safe Environment policies, procedures and resources.

3) Child Sexual Abuse Prevention Education for Adults (Charter Article: 12)

VIRTUS® "Protecting God's Children" is a three-hour training for adults which teaches the five basic steps of child sexual abuse prevention. This program is mandated for all adults who work with or around children or youth on a regular basis. Nearly 70,000 clergy, staff, volunteers and parents have attended the program.
