Wednesday, October 11, 2107 / Tuesday, October 17, 2017

Archdiocesan Catholic Center Offices
3424 Wilshire Blvd., Los Angeles, CA 90010

9:15 a.m. Check-in

9:30 a.m. – 12:30 p.m.

The “**Train the Trainer**” Workshops are being presented in order to “certify” a VIRTUS® Teaching Touching Safety Trainer at each parish/school site. The TTS Trainer will then be able to train catechists, teachers, volunteers, etc., to teach the children.

This training is for D.R.E.s, Principals, Teaching Touching Safety Coordinators or a designated qualified person recommended by the parish/school.

Because of the limited space **only one person will be admitted for each school** and **one person from the parish religious education program**. They may then go back and train the other staff and volunteers.

Note: Workshops are limited to 30 people and are on a first come basis. Email your registrations immediately to Brenda Melendez bmelendez@la-archdiocese.org
