WITNESSES FOR THE NON-BAPTIZED PARTY(IES)

In order to grant a papal dissolution in Favor of the Faith, the Congregation for the Doctrine of the Faith requires solid evidence that:

- 1) one or both of the spouses was/were not baptized at the time of the exchange of vows, and
- 2) at least one of them remained unbaptized throughout the common life.

Please name at least two witnesses who are able and willing to provide testimony about the unbaptized party. If you wish to name more than two witnesses, please copy this page and include the additional witnesses. If both the Petitioner and Respondent were not baptized throughout the common life, it is helpful, though not essential, to provide witnesses for each. If you wish to do so, make a copy of this page and fill one out for the Petitioner and one for the Respondent.

The preferred witnesses are the parents of the unbaptized person. Other competent witnesses are older brothers or sisters, uncles, aunts or older cousins of the unbaptized person. If no other witnesses are available, younger brothers and sisters of the unbaptized party may be named. Please do not name children of the marriage in question. Please notify the witnesses that you have named them in connection with your petition and that they should expect to hear from the Tribunal.
